## 21st May 2021

Dear

This week many of us spent time dodging the rain and the children were broadly lucky enough to have most playtimes outdoors. Indoors, it was busy as usual with the children working towards their end of topic activities. We really hope that next term we will be able to share these with parents at school, if the changes to the Covid guidance allows.

Reception had a lovely party to mark Eid on Wednesday. Thank you to all the parents for supporting with that. Y5 had a talk all about deforestation as part of their topic *Allotment*.

The School Council met with Mrs Dyer on Thursday and raised some important issues from their classes for the Senior Leadership Team to consider.

We have had a few inappropriate incidents with chewing gum. Children should not be bringing it to school and not be chewing it when on the school site.

The circus is coming to Osidge on 2<sup>nd</sup> July, 4.30pm and 6.30pm. Tickets are available to buy here: <https://www.pta-events.co.uk/osidgeschoolassociation>. Book early to avoid disappointment.

Have a lovely weekend

**Year 2 have been taking part in the Hitachi Primary Engineer Project this week.**

They have designed their moving vehicles, built a chassis and assembled and tested their vehicles ready for our Year 2 Car Show

As part of our topic this term, we have also read "The Secret Sky Garden" and created our very own "Year 2 Sky Garden" where we have added our environmentally friendly vehicles and decorated it with plants.

## Y2 took part in an interactive virtual workshop called Pollution Solution.

They had lots of fun learning about issues of climate change and air pollution and what we can do to help solve them
