Dear Parents

How lovely it was to see the tents back on the field this week for Y3's overnight camping experience. The children had a fantastic time doing a range of outdoor experience; making (and eating!) pizza and having a sing-song altogether in true camping style. Some rather bleary-eyes this morning - but that's all part of the fun! My huge thanks for all the staff involved setting up the activities and keeping the children safe overnight.

With just one week to go until our summer circus the children in Y5 and Y6 had the opportunity to try out new skills with a circus workshop. There were some wonderful wobbly moments for everyone.

Y1-4 made A LOT of noise in our junk music workshop, banging out some groovy rhythms with a range of upcycled instruments. Although the plan was for this to happen outdoors, I am sure the neighbours were grateful that it was raining that day.

It was wonderful to welcome next year's Reception children to our *Stay and Play* sessions this week. I very much look forward to getting to know them better over the coming years.

Enjoy the weekend!

The circus song that pupils in years 1-4 composed on Monday as part of the Junk Music Workshop

Circus Song

(Chorus)

Life is a circus,
Life is a breeze,
I'm on a swing
It's like a trapeze.

(Verse 1)

I like popcorn, I like crisps,
I like oranges, but without the pips.

(Verse 2)

Sometimes when I'm feeling down,
I jump up and down and act like a clown.

(Verse 3)

At the ice cream truck, I hula hoop
And get some scoop of Scooby gloop.

(Instructions: add actions to words, add more verses)

Years 5 & 6 practising their circus skills.

Message from Mrs Owen

If children are suffering/suffer from hay fever, please ensure they have had their medication before they come into school. I do keep a small supply of medication to be used in emergencies only.

I am able to administer eyedrops during the day if needed but parents need to supply them and fill out a form in the school office to give me permission to apply them.
