

Dear parents

Well, the weather just about held off on Wednesday morning and we had a lot of fun with our sports session out on the field. In between the javelins flying, space hoppers wobbling and balls on target into balls and nets, there was a genuine sense that this was something that had been missed by staff and pupils. And no doubt by you, our ever supportive parents too. We do sincerely hope that we can begin to welcome you back into school so we can share and celebrate the children's learning and achievements together in the autumn term.

The children also had a lot of fun watching Y6 in the Tug of War on Friday afternoon. There was an awful lot of effort from all teams, but in the end Lewis won. Well done to all the children for showing good sporting spirit.

My huge thanks to all the Y6 helpers who did a wonderful job supporting the younger pupils on Wednesday and to Mrs Littleford for planning and organising all the sports events this week.

A huge well done to our TT Rockstars in Y2-6 who have been busy practising their times tables and have put Osidge in 148<sup>th</sup> place in London schools. Given there are hundreds of schools taking part, we are pretty chuffed. Find out more about how the children did in the box later in this newsletter.

There was some beautiful live music in school on Monday when Y2-4 had a visit from a classical violinist from Barnet Music Trust who shared some wonderful music and some interesting musical facts too. Details of how to sign up for music lessons are further in the newsletter.

Next Wednesday the children in YR-Y5 will spend part of the morning meeting their new class teacher, spending time in their classroom as part of their transition for next year. They will also have a chance to find out about learning and opportunities in their next school year - so perhaps have a chat with them about what they might like to ask their new teacher about next year. A list of teacher and class allocation has been sent out separately.

Report will be coming home next week. Please look out for that.

In the meantime, please keep safe.

Enjoy the weekend. I know I'm Scottish, but Come On England!

## Online Safety

As the summer holidays approach, we want to remind you and your child how to stay safe when online.

Here is a short loom video on the top tips.

# The Best Day of my life by Mohamed Yusuf 2S

England vs Denmark at Wembley 7<sup>th</sup> July 2021

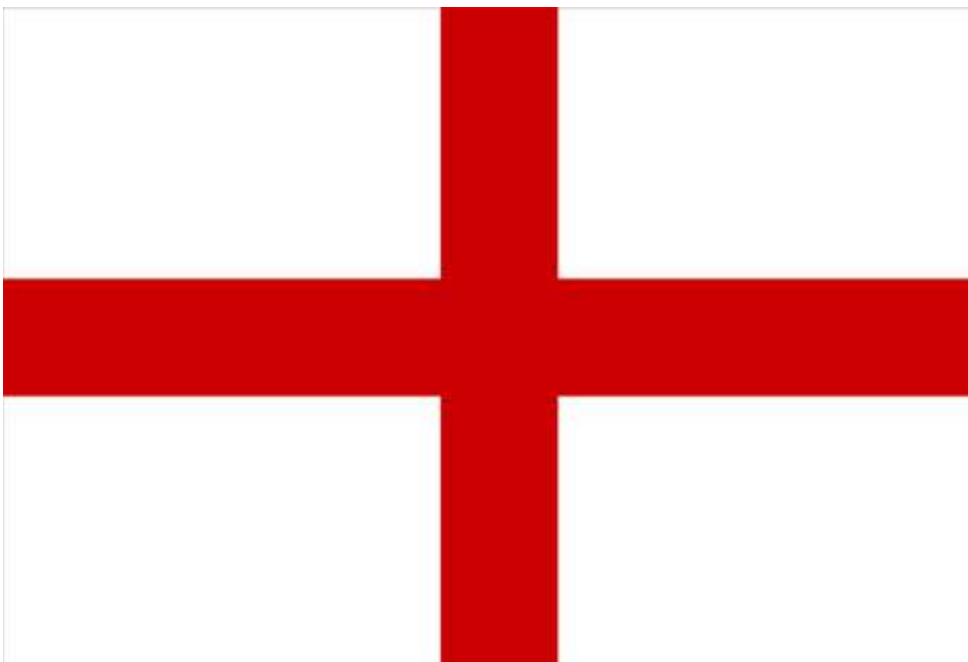

First my dad signed a paper. Then I got on a coach with no adults it was just children. After we walked to the stadium. It was so noisy. We got wrist bands to keep ourselves safe.

We had our own desk and on our desk there was a VAR. Then we had a snack.

We practised in the stadium to wave. I met Henderson and got a signed ball by Harry Kane.

They gave me new football boots and a kit it is not even in the shops! After we had lunch at 4 o'clock and we coloured. When the match started I walked on the pitch and waved people saw me on TV I was a little bit scared. Then I met my new friend Mo Farah he said hello. The view of the match was incredible and the crowd was screaming lots! The best part was WE WON!
