Dear Parents

This week, the children have been getting to grips with new routines and enjoying the sunshine on the field. What a treat – if rather shortlived!

A reminder that children should not be in school if they are displaying Covid symptoms or anyone in the household is waiting for a PCR test result.

Could I also ask that children **do not play on the astroturf** at pick up/drop off time. Please supervise your children, particularly at pickup so that you know where they are.

Today you will be receiving your year group's curriculum map and also a short video from the teachers about the expectations and some useful information about this coming year. Please check your emails. If you have any specific questions or information to share with the class teacher, please contact them via the school office.

Term dates for this school year and next are on our website: <https://www.osidgeschool.org/news/term-dates/>

Have a lovely weekend
