

Dear Parents

Another busy week at school and our corridors are looking bright and colourful with the children's artwork. It is great to see such a range of techniques and skills bring used including pencil sketching using perspective, water colour, print making and collage.

It was *Land Ahoy* and ships galore as our Y2 pirates had a great day and spent time using maps and looking for treasure around the school. Luckily no parrots were lost though I am told that sadly there is no gold hidden anywhere on site. Thanks for the Y2 team for making the day so special.

I wanted to give a big shout out to the staff that work in the kitchen preparing lunches and serving the children every day. Chef Elena (left in pic below) plans and prepares the nutritious meals on site every day in line with Silver *Food for Life* standards. Not only do the lunches look good, they taste good too. Thank you to Chef Elena and the team!

We have chess club starting up for Y3-6 from 12th October at lunchtimes. Please see information for how to join attached.

Reminders for next week:

- Please bring in your donations for our Harvest collection for homelessness by Tuesday morning. See box later in the newsletter for what is being collected.
- Coffee morning for all parents on Friday 1st October after drop off. I look forward to seeing many of you there.

Have a lovely weekend

We will be re-starting our parent support group on **Friday 22nd October at 9am** in the Lunch Hall.

Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This time we will be looking at some strategies being used in the classroom to help children regulate their emotions, such as the Zones of Regulation.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries
