

Dear Parents

I have been at the Barnet Headteacher Conference this week which has been beneficial in several ways. Firstly as a timely opportunity to stop and reflect on the enormity of the impact on schools, education, teachers and children the past two academic years have had. For me this was a moment to be grateful for the fantastic staff we have at Osidge who make a difference to the children every day and also for the wonderful sense of community we have from parents pulling together, supporting each other and the school. The conference has heard from some education experts and inspirational speakers giving their views on the current and future education landscape which will help to shape our strategic thinking at Osidge.

As part of our ongoing commitment to staff development there will often be staff having professional development opportunities during the school week. This week various staff had training on STEM, safeguarding, supporting SEN, netball and phonics.

Thank you to all the parents for coming along and sharing with our Reception children at their tea party. I am so pleased we could have the parents coming together and sharing together the first of what I hope are many special moments at school.

A reminder that school starts at 8.55am. All children should be in class by then. Learning starts for the children from 8.45am; the early morning work we provide helps to consolidate skills. Please make an effort to be on time.

Have a lovely weekend!

Year 2 have enjoyed using the new Blue-Bots to develop their coding skills. They have programmed the Blue-Bot with a set of algorithms to make it move. They have also followed clue cards to make it move.
