

Newsletter 24th June 2022

Dear Parents

It has been a week to bring smiles to faces! The summer fair showed what a wonderful, vibrant and proactive school community we are. There are some wonderful photos on our school website blog page that showcase the day. There are also photos of the Reception show which happened on Wednesday and was a delight for everyone that was lucky enough to see it.

These next few weeks at school are a balance for staff and children alike as we begin to think about what next school year will bring while very much still working in this current one. If your child seems a bit more unsettled or emotional than usual in the coming weeks, it is likely to do with feelings of uncertainty about next year. Reassuring them that they have been successful at school so far and getting them to think about things they are looking forward to next school year will help them to see the change positively. Encouraging talk with children about negative feelings, tends to lead to more negativity and will make it more difficult to build their resilience. We will be letting you and the children know their class teacher for next year in a couple of weeks. They will also have the chance to meet them, ask any questions they have and to visit their new classroom.

Next Thursday 30th June is sports day! Parents are welcome to come and watch and cheer the children on. Reception, Y1 and Y2 will be in the morning, 9.30am and Y3-6 at 1.30pm. Please wait in the front playground.

Have a good weekend

Parent Support Group

Our next parent support group will take place on Friday 15th July at 9am in the Sanctuary. Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This session we will be looking at helping children reflect on their behaviour using a 'Emotion Coaching' technique. This is one of the methods we use at school when talking to children about their feelings.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries
