Dear Parents

This week Y6 children did their statutory assessment tests (SATs) in reading, grammar and maths. I was so impressed with the maturity and calm way in which they approached the week.

Y3 have completed their two weeks' of intensive swimming and it has been great to see how much progress can be made in a short amount of time.

Reception had a great time expressing themselves in the drama workshop they had to support their listening, communication and expressive learning.

Outside, the running track is on the field which means it must be athletics season! The Osidge in Bloom planters are looking gorgeous! Now we just need a bit more sunshine...

Have a good weekend

21st Last day of Term

We are launching a new writing competition for children in Year 3 to Year 6!

You will need to write a mini-saga with a limit of 100 words about a story inspired by our Osidge School Superheroes!

Deadline: Friday 26th May 2023

You can collect a copy of the planning sheet and form from your class teacher or from Miss Sawa.

One winner will be selected from each year group - good luck!

Parent Support Group

Our next parent support group will take place on Friday 26th May at 9am in the Sanctuary. Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This session we will be looking at helping children develop their language skills using Colourful Semantic. This is the main method we use at school to develop children's expressive language, grammar and teach them how to build and extend their sentences.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries
