

Newsletter

23rd June 2023

Dear parents

You will have seen the notice that Governors have opened a consultation on conversion to academy status and joining Ashmole Trust. Please take part in the consultation by mailing any comments (positive and negative) or questions to consultation@osidge.net . More information can be found on our website <https://www.osidgeschool.org/academisation/>

Please do not park on corners of roads around Cecil Road. This creates hazards for children crossing and cars trying to get around corners.

I've just come from the EY and KS1 sports day on the field. What a lovely morning it was seeing the children trying their best and putting in effort into their sporting skills. With so much focus on other curriculum areas, it is easy to overlook the importance and benefits that come with promoting and encouraging our children to be as active as possible. As adults we know it is good for our physical and mental health – it is doubly important for children as their bodies, muscles and minds grow. While the weather is nice, make the most of the wonderful great playgrounds, parks and green space we have in London to get out and explore together! My thanks as ever to Mrs Littleford for the sterling work she does keeping our PE agenda active!

Just 2 weeks until the summer fair (8th July!!). We need volunteers! By as many people as possible getting involved it makes it easier for everyone and helps to raise money for the school. **Please** get back to your class rep to let them know you can help on the day. We need donations too! Please see the box in this newsletter and OSA Newsletter for what, where, when and how to give your donations. All money raised will be going towards improving our IT provision at school.

Reception and Y4 each treated us to wonderful productions. Reception sharing with us a few reminders of their topics from the year while Y4's production focused on the importance of saving wildlife in the ocean through some very clever poet dialogue, music and dance. A huge well done to all the children and a very big thank you to all the staff for preparing the so well.

While it may have been recently been healthy eating week (fab vegi pizzas Y2!), Y3 had a lovely treat at their chocolate workshop finding out about the science and geography of chocolate while learning healthy ways to enjoy it. Funnily enough there was none left for me...

Have a good weekend!
Jen Brodkin

Diary

June 2023

29th 3 Store trip 5D
30th 3 Store trip 5M

July 2023

3rd KS2 Sports Week
5th Year 1 Show 9.15
