Dear parents

Following feedback from parents, governors have produced some useful information in the form of FAQs which can be found on our website

<https://www.osidgeschool.org/academisation/>. Please take part in the consultation by mailing any comments (positive and negative) or questions to consultation@osidge.net .

Please do not park on corners of roads around Cecil Road. This creates hazards for children crossing and cars trying to get around corners.

Just one week to go until the summer fair on 8th July 12-3pm! If you haven't yet signed up to help, please be in touch with your class rep. Parents at Osidge have a great track record of volunteering to help set up/clear up and run stalls on the day. The more people we have, the easier it is for everyone, the smoother things will run and hopefully the more money we can make. All fundraising will be going towards improving our tech at school. Please, please get involved! There's lots more information in this newsletter for donations to the stalls.

Talking of tech, the Y5 classes each had a great day out at the 3 Store exploring filming and editing, including using a green screen. Thanks to the parent volunteers for their support.

Well done to the children taking part in the Barnet Primary Athletics Championship securing Osidge a bronze! Go Osidge!

A reminder that KS2 should come in to school in PE kit all next week for our sports week.

Have a lovely weekend

Parent Support Group

Our next parent support group will take place on Friday 14th July at 9am in the Sanctuary. Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This time we will be looking at anxiety, what can cause anxiety and some strategies to help support children when they are feeling anxious.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries
