Dear Parents

End of term reports went out to parents this week. Please do take time to appreciate and celebrate all that your child has achieved this year. We would love to hear your feedback using the bubble sheet at the end of the report.

Summer fair grand total was a fantastic £3551. A massive thank you to everyone involved. All money raised will be going towards improving tech at Osidge.

The highlight of this week surely must be our Y6 production of *Alice in Wonderland* – a whirlwind of fun and silliness as Alice meets a host of strange and curious characters. Other year groups had the opportunity to watch the show during the school day, while evening performances were held for parents and families. A huge well done to all the children for their wonderful performances and of course my thanks to all the staff who prepared the children and took time out on both evenings to support with the shows.

On Tuesday children had the opportunity to visit their new classes, meet their new teacher and to find out about what to expect next year. More information for parents with key information will be shared next week and at the start of term.

Reception had a fun day out at Trent Park, travelling by tube and playing and collaborating together in the park. Thank you to all the parents who came along to support with the trip and to all the staff involved with the logistics to make it a success.

Next week, please send your child with a couple of plastic bags in their school bag as the teachers will be sending home books, artwork and anything else lurking in your child's tray.

There will be important information coming out about school lunches and after school club in the coming days. Please look out for that.

Have a lovely weekend
