Dear parents

Looking forward to seeing many of you at the summer fair tomorrow. Thanks to everyone for all their support and donations so far. Let's hope the weather is kind....

KS2 had a wonderful week of sporting activities and challenged themselves on speed bounce, long jump as well as trying out their golf and cricket skills in their mini team challenges. Well done to the winning class team 6B/5M/4B/3S! A big well done to the green teddy team who won the EY/KS1 sports day!

What a fab-u-lous show Y1 performed on Wednesday. There was dancing in the aisles as well as on the stage and the children's showcase of their learning of their topic *Rio de Vida* was a wonderful example of how we weave different curriculum areas together in our topics. Well done to all involved preparing the children.

Y3's trip to London Zoo on Thursday did not disappoint and was a great opportunity to learn about different habitats and see the animals close up. This consolidates the children's learning this year on topics *Predators* and *Flow*. My huge thanks to the Y3 team and parents who supported on the trip.

Y6 were busy this week with many visits to see their schools next year. They have also been working on an enterprise project for the last few weeks 'Grow a Tenner' - working in teams to put together a business plan and generate income from an initial £10 investment from the OSA. Today they had the chance to have a sale of their goods. We look forward to seeing how the teams have got on. Any profits go into this year's OSA fundraising total towards new tech for the school.

Today you'll receive information about classes for next year. Children will be meeting their new class teacher(s) on Tuesday. End of year reports will be sent out to parents next week.

Have a lovely weekend

Parent Support Group

Our next parent support group will take place on Friday 14th July at 9am in the Sanctuary. Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This time we will be looking at anxiety, what can cause anxiety and some strategies to help support children when they are feeling anxious.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries
