

19.July 2023

Dear Osidge Parents and Stakeholders,

We are delighted to share with you that our consultation process has now concluded, and we are excited to embark on a new chapter in the journey of Osidge School. The next stage of our deliberation involves forming an academy alliance with Ashmole Trust. The majority of stakeholder feedback has been overwhelmingly in favour of the proposal. This opportunity holds great promise for growth, collaboration, and security, ensuring an even brighter future for our beloved school.

Throughout the consultation, your invaluable input and feedback have been taken into careful consideration. We have shared a vision of providing an exceptional education and supporting the aspirations of every child within our care. The decision to move forward with the alliance was made with the utmost consideration for what is best for our students and community. By joining forces with the Ashmole Trust, we open doors to a broader educational community, allowing us to benefit from collective wisdom and expertise. This will enable us to enhance our educational offerings and create an even more inspiring learning environment for our students. We will do this whilst preserving the best of what Osidge has to offer.

Discussions at leadership level indicate that the ethos and values of the Ashmole Trust are aligned with those of our school. Their commitment to excellence, innovation, and inclusivity mirrors our own, making this alliance a natural and harmonious fit. Rest assured, our governing body remains dedicated to preserving all that makes Osidge School special. Our talented staff members, who are the heart of our school, will continue to be its most valuable resource. Their collective spirit, dedication, and expertise have cultivated a vibrant and nurturing community that countless children have called their second home over the years.

As we move forward with this exciting venture, we do so with immense gratitude to our parents and stakeholders who have played an integral role in shaping the future of Osidge School. Together, we will create an even stronger foundation for our children's educational journey.

Thank you for your unwavering support and belief in our school. We look forward to this new chapter and the boundless possibilities it holds for our Osidge family.

On behalf of the governing body, have a pleasant and restful break.

H Mahir
