

Newsletter

8th September 2023

Dear parents

A very warm welcome back to the school year, and a very big welcome to all the new families who have joined Osidge. We hope that your child will thrive with us and that you have been made to feel welcome by our friendly parent community.

The children have spent this week settling into their classes and getting to know the routines for their year group. This will take a few more weeks and is a really important part of their development as they built up ways to manage changes which is an important life skill.

As well as our new teachers - Miss Liasis (2L), Miss Yianni (3Y) and Mrs Wilson (music) - we have some new support staff who are working across the school. I'd like to welcome Miss Chatzovoulou who is based in Y6 but working across the school; Mrs D who is based in Y2&Y3 and Ms Leptos (Y2 and After School Club Manager).

Parents should have received useful information earlier this week about PE days and a welcome video. Please do have a look and take note of relevant information if you haven't had a chance to do so already.

We will start to send home reading books and homework in the next few weeks, once we've established a few more routines. In the meantime, do please encourage your child to read daily and remember the value and importance of reading out loud to your child - a bedtime story is the perfect opportunity for that, in any language that you feel most comfortable to do this in.

Please remember check the newsletter diary for key dates each week.

Have a lovely weekend.

Jen Brodkin
