Dear parents

A warm welcome to the new Reception children who joined this week as part of our phased start. All of the children are now in school full time and it has been a joy to see them busy inside and outdoors, making friends, learning the routines and proudly sharing with me what they have been doing.

This week we also started our weekly whole school online values assembly. Our focus value this half term is care. I am so proud of how the children are settling in to school and taking care of each other, the school environment and their learning.

A reminder that any snacks coming in to school must only be fruit or vegetables, fresh or dried (no yoghurt covered raisins or fruit winders etc pls).

Also, I would like to remind you that at Osidge **no** sweets/ gifts should be given out for children's birthdays. This is to ensure fair practice for all our children, so nobody feels embarrassed or disappointed. Some families want to and can afford to; others cannot. If you'd like to mark your child's birthday in school, you can buy a book for our school library – hand it in at the office and we will add a 'birthday sticker' so we know it's from you!

Anthony in Y2 and his dad Mauro are very generously raising money for Osidge running 1k and a half marathon respectively at the Battersea Fun Run in October. They have been training hard and would love your support to raise £1000 all of which will go towards resources at Osidge. Remember to check the diary for upcoming dates.

Have a good weekend!
