

Year 3 Topic Vocabulary – Spring 2, 2024

Scrumdiddlyumptious

This term, we will be learning all about food, healthy eating and Fairtrade. Below is a list of key words and phrases that are related to these topics. We feel it is important for the children to have some understanding of the basic vocabulary, before they begin the topics. In order to support your child's learning, we would like you to spend some time talking about the meaning and understanding of these words and phrases. We encourage parents to use their home language to talk about this vocabulary to support the children in their understanding.

Pupil Challenge:

Are you a Word Wizard? Can you spot any of these keywords being used in the correct context outside of school (eg. newspapers, shops, advertisements, etc)? Earn merit points by photographing or bringing in the articles where the words are being used for us to share in class.
