Dear Sunny
 If you're home in Hong Kong
 because it is hot I'm
 special to me because it
 has lots of good snacks
 When you're here you can see
 lots of business buses when
 you're here, you can hear
 buses and cars used.
 When you're here you
 can smell delicious
 ice-cream. I like the
 park. Love Tinsley

Dear Sunny
 you should try
 put power rangers
 it is so good
 You can hear
 people cheating.

It's amazing you
 can also see
 people jumping
 up and down
 Stom Rofygy

From Tinsley

And love the way you hold
 so how you felt when you
 kept your family and I really
 understand if I were you
 I would miss my family
 too I know why you kept smiling
 you could have some class time
 from Sia-Pa x x x x

Dear Sunny I heard everything
 when said and you said
 I like your special place in the
 world and that is mine too
 and thank you for what you
 had said I really appreciate it!

WOLVES

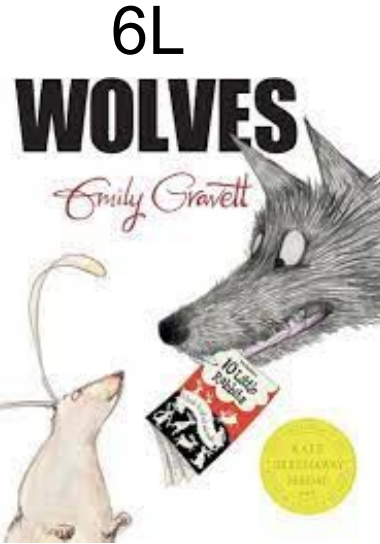

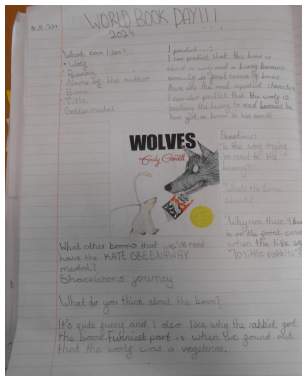

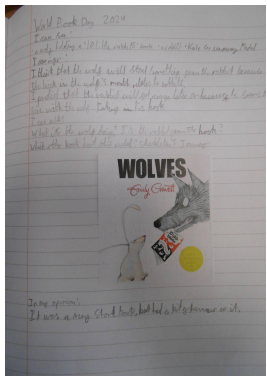

Emily Gravett

We thought this book was interactive and funny.

We wrote a non chronological report about wolves and wrote mini fiction and non-fiction books. We had fun!

Sprawl in the hall

DR

We thought this book was:

It was interactive

Humourous

The way the rabbit went to the library to get the book.

6L made non-fiction books about wolves
