7th June 2024

Dear parents

A warm welcome back to the last half term of this school year. I just wish the temperature would actually be a little bit warmer so it can feel like it's the summer term!

Just a short newsletter this week. A few reminders:

- DO NOT park around or on the driveways of our local neighbours. There are clear notices from school reminding about parking responsibly. Please respect these.
- Really great work on getting into school on time – thank you! Please keep this up so that children can be in class and ready to learn by 8.55am.

This week we welcomed our September Reception starters to a stay and play. This was a lovely opportunity for them to begin to get to know their new environment and of course meet the teachers and make some new friends.

As part of the 'Transition to Secondary' programme, Y6 were given an informative and engaging performance of "Be Bright Travel Right", where some key road safety guidance was shared. Separately, Y6 also had the opportunity to develop a campaign, learning what a campaign is and the basics of how campaigning works. Over the next few weeks, the pupils in Y6 will work in groups to campaign for their chosen cause. Many thanks to Polly, Mum to Fox in Y2, who launched the event as part of our Citizenship focus in PSHE.

Have a good weekend.

Enter the summer fair competition!

As part of this year's Summer Fun Day, we're asking the children to get creative and showcase their skills by entering one or more of the competitions being judged on the day by Mrs Brodwin. Children should make their competition entries at home in advance and bring them in on the day of the fair. We'll share details of the competition categories in next week's newsletter!
