

Dear parents

England may have secured a place in the final of the Euros but our stars this week were Y6 in their end of year production. It is always so special to see them in a different setting and for their personalities and talents to shine through on the stage. They should be very proud. A huge thank you to the staff for their work with the children. With next week being their last at Osidge, there will be some special moments together as a community to say goodbye.

Reception kept (mostly!) dry on their trip to Trent Park on Wednesday. The weather was kind and they had lots of adventures and fun activities together with their teachers and the adults that came to support.

Today the children had a chance to meet their new teacher(s) and get a sense of their new classrooms and ask questions. We are preparing short videos which will be sent out to parents in the autumn term with more information about what to expect in the coming school year.

End of year reports have been sent out to everyone. Please contact the office if you haven't received a copy.

Next week we will be sending home the children's work from the year, please pop a couple of plastic/reusable bags into their school bags so that they can be used to bring it all home.

Have a lovely weekend!

Jen Brodtkin

7th Circus Returns to Osidge

Discovery Day - relaxed opening at the Crick, King's Cross 20 July 09.30 – 10.30 FREE

Book through Eventbrite

Join us for a relaxed opening of Discovery Day, for families who require a quieter and calmer environment to experience our festival of pop-up science fun. This free ticketed provides an opportunity to explore and enjoy different activities inside the crick before we open for the day – from the super signallers challenge, to cooking up stem cell potions and so much more.

Your free ticket includes access to the activities from 9.30-10.30, as well as an relaxed Science Magic show from 10.30-11.00.

Our relaxed opening is suitable for individuals or families with members who have sensory processing differences, autistic spectrum conditions or other sensory needs.

Book free tickets : <https://www.eventbrite.co.uk/e/discovery-day-relaxed-opening-tickets-925066578037>

For Healthy Habits

This time of year can be tricky for some children because of the upcoming change from one year group to another. They may display their worries through their behaviour. We all know the importance of looking after our own and our children's mental health. This organisation has some really helpful advice and videos to support parents about all aspects of mental health.

Summer Holiday
Music Experience

arts depot

**Come and share a musical 4 days with us
and enjoy music making with BEAT's inspiring staff!
From Monday 5 - Thursday 8 August 2024**

Each day, participants will engage in four exciting activities: playing steel pans, mastering beatboxing, learning DJing skills, and joining together to form a band. On the final day, you'll have the chance to showcase your new talents with a performance opportunity.

Steel Pans

The Steel Pan is a brilliant instrument for beginners, as the basic skills are quick to learn. Even without previous experience you will have accomplished simple melodies by the end of this fun and creative week.

DJ'ing

This is a fun, practical 'hands on' session where you will learn from a professional DJ, who will teach you the basic skills on our Pioneer DJ equipment.

Band in a Day (Picks and Sticks)

Explore the many aspects of rock and pop music through playing in a live band and putting together one or two songs.

Beatboxing and live looping

Ever wanted to try out beatboxing or live looping? Our introductory Beatbox and Vocal Looping workshops will show you how to make simple beatbox motifs and live looping songs as a group.

Discover Your Musical Passion!

Participants will also have the chance to try out various Woodwind, String and Brass instruments during the week at our drop-in free taster sessions in the bar depot.
