

Newsletter 13th September 2024

Dear parents

This week we welcomed some more of our Reception children to school. They have settled in really well and getting used to the new routines. In Y1-6 everyone has been getting used to a full week at school including the teachers!

A reminder please to make sure:

- All uniform and PE kit is labelled
- Children should come with a reusable plastic water bottle to school
- Hair which is shoulder length or longer should be tied up, with simple hairbands. Keep the fancy headgear for weekends!
- Jewellery should NOT be worn to school. The only exception is earrings which should be stud earrings and nothing that dangles or loops round.
- All medication must be labelled and brought into the school office, this includes throat lozenges, creams and any other over the counter medication.

Please make sure you check the diary regularly for upcoming events.

Have a good weekend

Jen Brodkin

Our first **parent support group** of the academic year will take place on **Friday 18th October at 2pm** in the Canteen.

Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This session we will be focusing on helping children manage 'big' feelings, discussing useful strategies to help children manage their emotions

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries

Healthy Habits - Teeth

Did you know that poor dental hygiene is the #1 reason children are admitted to hospital? One in 5 children have untreated cavities in their teeth. That's 20%. Or 6 children in each class!

Dental treatment is free for children in the UK. Register with a local dentist to get your child's teeth checked.

Children should brush for 2 minutes every day. Best if you supervise them to teach them how to do it properly.
