Dear parents

It has been lovely to welcome so many parents in to school this week for our sharing events. The children love having the opportunity to share and 'show off' their learning with you. Thank you for being so engaging and supportive with the process. My thanks to all the staff who work hard to pull these special moments together.

There was a surprise for Georgie in Y2 this week when he found out that he had won the Mr Nourish poster competition. He won a prize which he was presented with in assembly. Well done, Georgie!

Did you know we have a chess club that runs every Wednesday lunchtime? The children had a special assembly this week all about chess, its history and the ways in which it can support learning, strategic thinking and focus. Do look on the website for information how to sign up.

Thank you for all your support for *Just One Tree*. It is a great project that many local schools are involved with. Together we are planting trees to replenish lost forest and badly needed woodland. It has been a great educational opportunity for the children and timely reminders for us all about protecting our environment and being mindful about trying to live a more sustainable life. My thanks to Miss Liassis for coordinating the day.

If you know families looking for places for Reception next September, do let them know that we have a *Stay and Play* on Saturday 16th November. Booking essential with the school office.

Osidge Fireworks night is coming up after half term on 8th November. **Please, please** get involved, sign up to help on the day and support the OSA's work. All money raised will be going towards our new fundraising project to refurbish the library.

Have a lovely weekend

Healthy Habits - Teeth

Did you know that poor dental hygiene is the #1 reason children are admitted to hospital?

One in 5 children have untreated cavities in their teeth. That's 20%. Or 6 children in each class!

Dental treatment is free for children in the UK. Register with a local dentist to get your child's teeth checked.

Children should brush for 2 minutes every day. Best if you supervise them to teach them how to do it properly.

500 Words is finally open for entries, it's time to get writing!
Submit your stories before 9pm on Friday 8 November 2024.

There are two age categories: **5-7 and 8-11 year-olds**. All children need to do is write a story they would love to read in 500 Words or less.

Children of all abilities can enter; **spelling, punctuation and grammar** are not marked - it's all about creativity!

50 finalists will be invited to go to a glamorous **grandfinal** at Buckingham Palace in February next year, where the bronze, silver and gold winners in each category will have their stories read out by celebrities.

There are also lots of **prizes to be won** - each winner will take home a bundle of books and the gold winners also win 500 books for their school library. Good luck!

Well done to our winner of the Mr Nourish card competition.
