Dear parents

Well done to the Y6 children who made more than £500 profit in their *Grow a Tenner* enterprise project. There were some great ideas like hand-crocheted toys, hand-made bracelets, themed stationery, mystery boxes and delicious treats! All the money raised will be supporting Y6 end of term activities. My thanks to the OSA for the seed investment and to the Y6 team and parents for supporting this great initiative.

A reminder about attendance:

Children missing school has an impact on their progress, their friendships and social/emotional resilience. We meet with the local authority regularly to discuss absence and parents at Osidge have been issued warning letters and fines. There are 175 other days in the year for children and families to do other things. Please make sure your child is at school every day of the 190 days when they are required by law to be at school. If your child is not at school for any reason, you must contact the school office to let us know why.

The deadline to get the circus competition posters in is Monday. Please bring to the school office.

Have a lovely weekend

Parent Support Group

Our next parent support group will take place on Friday 14th February at 9am in the Canteen. Parenting can be extremely rewarding but can also have its challenges. This group is an opportunity to discuss constructive ideas around raising children.

This session we will be discussing the Zones of Regulation. The Zones is a whole school strategy used to teach children about self-regulation by categorising all the different ways we feel into four concrete coloured zones. The Zones framework provides strategies to teach pupils to become more aware of and independent in controlling their emotions and impulses.

The group is also a great way to meet other parents and carers for practical and emotional support. It can be helpful to share ideas with other parents and reassuring to meet other parents experiencing similar concerns or worries

The Zones of Regulation

Healthy Habits - Teeth

Did you know that poor dental hygiene is the #1 reason children are admitted to hospital?

One in 5 children have untreated cavities in their teeth. That's 20%. Or 6 children in each class!

Dental treatment is free for children in the UK. Register with a local dentist to get your child's teeth checked.

Children should brush for 2 minutes every day. Best if you supervise them to teach them how to do it properly.

-----------------	--------------------------

Talbies estate agents are excited to propose a collaboration that could benefit Osidge Primary School and its community.

For every property sold / rented through an affiliation with the School, we will donate 10% of our commission directly to the school's PTA. This partnership not only helps families and staff find their ideal homes but also contributes to the school's development and programs.

Here's how it works:

- Anyone who mentions Osidge Primary School when listing, purchasing or renting a property with Talbies will be part of this program
- Those listing their property benefit from reduced special rates
- After the sale / letting is complete, 10% of our earned commission will be donated to Osidge Primary School

So whether you are thinking about selling / letting your property or looking for a property to buy / rent; working with Talbies will mean working towards providing additional funds for your children and pupils

Thank you for considering this opportunity to strengthen our community while supporting Osidge Primary School

Family Dance Festival BeWell Family Dance Festival on the 22nd of February 2025 (half-term):

A family-friendly festival for all ages and abilities, bringing together generations to celebrate all things dance. Some children from the Wednesday Dance Club will be performing at the festival.

For one day only, artsdepot is being taken over with a jam-packed day of entertainment for the whole family that brings together local communities in a creative and friendly environment.

This will be a special day of events and activities for children and grown-ups and a unique opportunity for children, parents, and grandparents to spend time together participating in and watching dance. Be dazzled by fantastic performances, learn new moves with brilliant dance artists and dance together.
