‘Mythical Creatures and Me!’ and ‘What Job Do You Do?’ Spring 1 Topics

This term, we will be learning about monsters and other mythical creatures; what they look like, games they play, what they eat and where they live, stimulating children’s curiosity and imagination through storytelling and role play. We will also be learning about the different jobs that people do in the local community and talk about the children’s aspirations for the future and what job they would like to do when they grow up. Below are a list of key words and phrases that are related to our topics. We feel it is important for the children to have some understanding of the basic vocabulary before they begin the topic. In order to support your child’s learning, we would like you to spend some time talking about the meaning and understanding of these words and phrases. We encourage parents to use their home language to talk about these words and phrases to help children understand these words, especially if another language is spoken at home.
