THE MANY PLACES WE BELONG

## Our version of "People Need People" By Benjamin Zephaniah

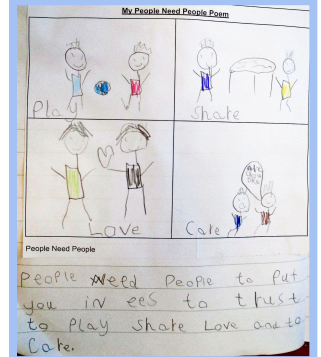

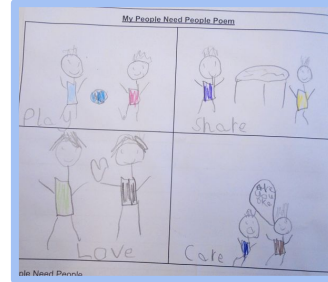

We performed the poem in Makaton to our grown ups and the whole school!

We wrote our own stanza for the poem!

To play and to love,  
To share and to hug.  
To trust and to reach,  
To care and to screech!  
People will always need people.

I belong with my friends, they make me happy and are kind to me. (Layan)

People need people  
 For someone to care  
 It shouldn't be that no one's there. **Amelia Z**

People need people  
 Someone to care  
 People need people  
 Someone to be there  
 Whether it is family  
 or not  
 People will always need people  
 no matter who it is  
 so stop making enemies  
 it seems we need company  
 before we relax,  
 and lets face the facts  
 People will always need people  
 Yes that is right  
 People will always need people  
 So Stop the Fight!

People will always need people  
 when there's ups and downs  
 when there's highs and  
 when there's lows  
 People will always need people  
 whether you know them or  
 you don't  
 you feel your alone  
 but someone thinks of you  
 EVERY DAY  
 don't feel alone  
 So shout Hooray!  
 and think positive everyday  
 then people will walk by  
 don't be shy to say Hi!  
 I 2 chizi us poem

You need FREINDS  
 byzac  
 you need freinds  
 To TALK  
 To WALK  
 To chat  
 and PLAY  
 You need freinds  
 To stay with all day  
 and happily PLAY  
 a little game  
 YOU need freinds  
 To PLAY Fight and  
 to make a day  
 include freinds  
 and NEVER let  
 them stay

People who need to change,  
 Need people who can help them
