‘Starting School’ and ‘Why Do You Love Me So Much’ Topics

This term, we will be learning about school life and about different feelings, emotions and what makes us special and unique. We will think about the role of family and other carers and about our senses and the way we use them to explore our environment. Below are a list of key words and phrases that are related to our topics. We feel it is important for the children to have some understanding of the basic vocabulary before they begin the topic. In order to support your child’s learning, we would like you to spend some time talking about the meaning and understanding of these words and phrases. We encourage parents to use their home language to talk about these words and phrases to help children understand these words, especially if another language is spoken at home.
